

## Neville – a new TV superstar?

### News Headlines

#### Meet the Leaders

Pam Jackie Richard

The main Leaders for each section of The BIG Top are Pam Chapman (The Marquee for under 3s), Jackie Dixon (The Rainbow Tent for 3-4s), and Richard Colpus (The Arena for 5-10s & The Rock Café for 11-16s). These main leaders are supported by dozens of other voluntary helpers and leaders.

#### The Arena (5-10s)

The theme of The Arena all week will be TV - and the making of TV programmes. Each day there will be drama, craftwork, and fun and games - all using TV as their theme. Top of the Pops and Roving Mike will be among the daily features.

#### The Rainbow Tent (3-4s)

The children will be enjoying themselves with fun and games during each morning session.

#### The Marquee (under 3s)

Dominique Middleton (Urban Retreat) came in today to do some free face and foot massages for the carers (while the children played).

Neville

Arena TV kicked-off today with a Match of the Day Special. Neville's Monday Challenge was to learn about the team of people Jesus built by becoming a football reporter.

Neville had to stand in for John Motson at short notice and interview some of the people in the Jesus Team. Billie played every member for the Jesus team with a performance of near perfection. She switched between playing James, John and Peter at the drop of a hat.

But the Arena audience were left asking whether Big Al's new signing, Neville, will turn out to be on a very short-term contract!

Neville survived his "say it again" interview with the dynamic duo - James/Billie and John/Billie. They turned out to be so alike that they might have been the same person.

But then a rocky interview with Peter/Billie soon left Neville fishing for answers. Eventually Peter/Billie dried up in mid-answer and Neville cut the interview short.

***The BIG Top says Neville may get left-back in the dressing room if he keeps scoring own goals on camera!***
