

the event

This is what people who have been to **The Event** have said about it.

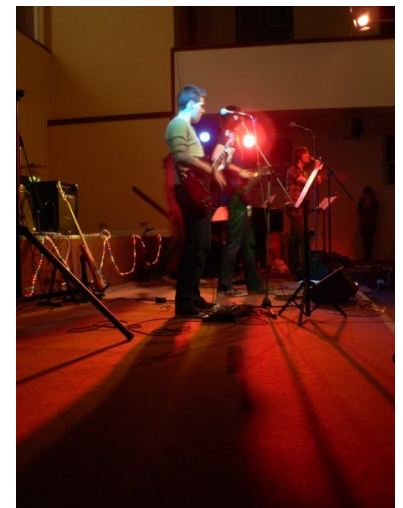

"It was great worship overall with the guy who said things that really made me think about my faith"

*"**The Event** was really enjoyable for me as I go to a Korean church and never really knew what English church teenager groups do."*

*"**The Event** is a real eye opener for young people, especially those new to Christian faith. For me as a follower of Jesus it's really refreshing and rewarding to bring my friends who are interested and see them encouraged by Jesus' love."*

"I like the music they were playing, I knew some of the but also learnt new songs as well."

*"The atmosphere of **The Event** is really special. I enjoy my best friends providing amazing music and meeting new people and getting closer to God in the process."*

"I really enjoyed them music and the talk really meant something to me, the speaker was great."
